

A Christmas Story

... eine gemeinsame Kettengeschichte aus Englisch Zusatz der 4. Klassen.

I am a five year old deer.

My biggest wish is to work for Santa Claus.

So I wrote an application to him.

One week later I got an answer.

Santa Claus was very happy about my application.

I hoped he would take me.

Because my biggest wish is to fly around the world at Christmas with Rudolf.

And to hand out presents with him.

The day after I got the answer,
I was run over by a car.

The night I had to spend in hospital was magical.

I saw so many cute little children.

And the present for the children was
that they were healthy again.
